With me wearing last entry bib number 88, the turnout on Sunday for our fund raising pleasure ride in Savernake Forest was just brilliant. We hope that everybody had a really good enjoyable event, the weather was pretty perfect wasn't it?! The support committee and cheery assistants who enabled the ride to go ahead deserve a BIG THANK you, it was a very smooth and easy ride to take part in.

Do post any photos you have here so we can show how great this special Spring event real... See more
