MEMBERSHIP FORM

The Wiltshire Bridleways Association was
formed in 1970 to preserve, maintain, and
register bridleways and byways.

At that time there was to be a special review of
the Definitive Map for Wiltshire. Under this
review many bridleways were in danger of
being downgraded to footpaths. The
Association took action to preserve many riding
routes.

The Association continues to oppose any
closure of riding rights and to initiate claims
when supported by documentary and user
evidence.

**The WBA is affiliated to the British Horse
Society**
